Dedication

"You cannot teach a man anything;
You can only help him to find it for himself."
- Galileo

Through her we gained some knowledge

Of literary rules of kings and Queens.

All the things we had to know, we learned.

And all along and in between the learning

Of what we had to know,

She cared enough to show us meaning in life

And in the reality of where we'd soon go.

All the things we wanted to know, we learned.

We learned, because the helped us,

and we may all forget,

But if even just one of us were to remember,

Her teaching was well spent.

We dedicate this Reflection, 1975,

To a dedicated human being,

Jane Minch

The Senior High Student Council had responsibility for convocations. There were five film convos with "To Sir With Love," "White Wilderness," "Golden Age of Comedy," "Father Was a Bachelor," and "Pit and the Pendulum" as features. Five live convocations were the three awards programs, "Listen to the Music," and "Science Meets Art."

Keith Moser

Tony Smith

The Council also sponsored the Homecoming Football parade. Committees worked on the elections, dance, program, and parade.

As the year progressed, the group provided two dances with bands and two with record hops.

Other committees worked on several projects. A group worked with suggestions for rearrangement of the IMC, a hall monitor system, and a student lounge facilities. Different monthly committees selected the "Teenager of the Month" contestants for the monthly county contest.

These class representatives worked hard to make the year of 1975 a good one.
